MEMORANDUM TO PARENTS

We are sending the regular flu season consent forms home. Please fill out, sign, and return them by no later than Tuesday September 9, 2009. We will be administering the “flu mist” to your children at school. As soon as we receive all the consents back, we will let you know the dates of our clinics and you are most welcome to accompany your child. We need your consents in order to be able to have a correct count to order the vaccine as there may be a shortage of vaccine and the state want to make sure all the students that need the vaccine will receive it.

Those students with chronic conditions will need to go to their physicians for their vaccine.

Thank you

Por favor de llenar estos consentimientos para que sus hijos reciban la vacuna de la influenza en las esquelas, y mandenlas a la enfermera para el Martes dia 9 de Septiembre, 2009. Es muy importante que las devuelvan tan pronto como se pueda para asegurar que vamos a tener suficiente vacuna para todo. La vacuna es “flu mist” o neblina no es injeccion. Si sus hijos tienen enfermedad cronica, llevenlos a su medico para su vacua alli.
Gracias
