

**Taos Municipal School District
Student/Parent STI Home+
Agreement**

Students and parents are responsible for safe-guarding their PIN for access to the STIHome+ Computer System. PINs should not be printed, stored online, or given to others. The School District does not accept responsibility for access gained to the STIHome+ Computer System records by individuals who have acquired a PIN through some source other than from the School District. All known misuse of PINs must be reported to the School District immediately. In the event of misuse, the School District will honor written parent/student requests to change a PIN or to block all outside access to the student's records on the STIHome+ Computer System.

As parent or guardian of the above-named student, I have read and fully understand the Student/Parent STI Home+ Agreement above. I agree to not hold the Taos Municipal School District and its officers, employees or agents responsible for access gained to the STIHome+ Computer System records by any individual who has acquired access to the system through some source other than from the School District. I further agree that is my responsibility to safeguard the PIN issued to us and will request a PIN change from the School District when I believe the PIN has been compromised in any way.
